

STRATEGIC ALLIANCES

BY SYSTEMS PERSONNEL

NETWORK AND LEARN WITH A PEER GROUP OF ADVISERS

The Strategic Alliance meetings are an 'invitation only' group of Senior Executives that get together 4 times a year at different area companies to share ideas and discuss best practices. The group is also used as a sounding board where members can reach out to ask for assistance or get questions answered. Each group is geared toward a particular specialty. The Strategic Alliances are another way SPI improves lives!
